We will be playing outside and getting wet. In accordance with our safe sport rules, we are not allowed to apply sunscreen and bug spray to your child, so we ask that you send in easy apply, spray bottles for them to reapply and that you please apply it to them before drop off. We do provide snacks and water refills, but you are welcome to pack extras of these as well! We are a peanut/tree nut free facility. We also appreciate clear labels on your child's items, especially water bottles (these tend to get left behind the most).
